April 13, 2016

Dear Parents and Guardians:

It's hard to believe we are already talking about summer, but we are pleased to provide you and your children with our summer enrichment offerings for 2016. Attached, you will find a list of the enrichment opportunities we will have for students this summer. Please make sure you read through the selections carefully as they are designed for specific grade levels and fall over specific dates. Transportation will be provided to and from school. Breakfast and lunch will also be provided. The time for enrichment each day is 7:30-12:00.

Please write your child's name on the top of the form, and circle the session(s) in which your child wants to be enrolled. If more students express an interest than we can accommodate for a session, a lottery system will be used. Please make sure you are not choosing sessions that overlap. Also, if your child signs up for a session, we request consistent attendance.

**All applications must be in no later than Friday, May 20<sup>th</sup>.**

Thank you for your continuous support.
